

Hybrid YETI Satellite

Robust foamer designed for rough environments

Nilfisk FOOD Hybrid Yeti is a robust tap water foamer with one injector, designed for heavy duty cleaning in the food and beverage industry.

With the Yeti foamer you get much better foam for cleaning, making the Yeti the smarter, cost-efficient cleaning solution.

The Yeti foamer comes in 3 versions depending on inlet pressure, Tap water, High pressure or Pre-diluted solution.

The Hybrid Yeti unit is supplied with the latest Hybrid7 block from Nilfisk FOOD as well as the built in Corona Technology air system - a completely new construction that sets standards within the cleaning industry.

Thanks to this system, the air is injected into the water stream over a bigger surface and a higher speed.

The result is a better mix of air, compound and water that generates approx. 20% more foam.

Available accessory kit, will enable easy and efficient operation of the unit.

Applications

- Food & Beverage market
- Floors, walls, ceilings
- Food contact surfaces
- Food contact equipment

Features

- Hybrid7 block technology
- Small, functional and hygienic design
- Stainless steel block with one injector
- Corona technology air system
- Wall mounted
- Available customized accessory kit

Benefits

- Robust, built to last
- Easy and intuitive operation
- Visible and longtime clinging foam
- Cost efficient
- Low maintenance costs
- Easy service

YETI Satellite

Robust foamer designed for rough environments

Technical Data				
	Units	TW	HP	PD
Water				
Connection type inlet /outlet	Inch	1/2"		
Recommended inlet pipe dimension (min)	Inch	3/4"		
Max. Outlet pressure	bar	40	80	25
Consumption during foaming	l/min	6	7	6
Min. supply pressure	bar	3	30	6
Max. supply pressure	bar	7	80	25
Min. supply	l/min	10	10	10
Max. temp.	C	70°	70°	70°
Air				
Connection type inlet	mm	Ø6 push in		
Min. pressure of air supply	bar/MPa	6/0.6		
Max. pressure air supply	bar/MPa	9/0.9		
Required flow rate	NI/min	75		
Nozzles (recommended)				
Foam nozzle		50/150		
General				
Number of products		1		
Max. hose length (recommended)	meter	25		
Dimensions H x W x D	mm	258 x 203 x 107		
Weight	kg	3,2		

Standard models

Model	Article no.	EBS no
YETI TW	110007172	10058494
YETI PD	110007173	10058495
YETI HP	110007174	10058493
Accessory kit	110003306	10033410
