

HYBRID 7 APP/COMMANDER

Monitor Your Machine!

What is the Hybrid 7 APP/COMMANDER

Did you know that you can monitor your low-pressure cleaning unit in real time.

It has never been easier!

Download the Nilfisk FOOD Hybrid 7 App today and monitor your machines. Real time readings directly on your mobile phone.

Note! When logged in to our web-based NAVIGATOR program, enter the area Commander, in order to see real time readings and a full error log, identical with the real time monitoring and error log found in the Hybrid 7 APP.

Real time Features:

Water Consumption

Time Consumption

Power consumption

Temperature

Error log - cause & Remedy etc.
