

Service Information no. 200

New Chameleon PLUS

Release date: 27-09-2010

We are proud to announce, that the new improved Chameleon PLUS series will be introduced on:
27-09-2010.

It is not possible, in this service information, to inform you of all the different new features and other improvements which makes Chameleon a better, more reliable and service friendly line. But we can refer to a lot of information and presentations communicated over the last couple of months.

This Service information is only to inform you how and when we change from Chameleon to Chameleon PLUS in our production!

All orders coming to our address as of **27-09-2010** will be produced as Chameleon PLUS equipment. This means that we are going to use new Item Nos. Please see list below.

Special for EBS countries:

If we receive a PO ordering "old" Chameleon equipment, we will return to you and ask for a new PO with the new EBS Nos for Chameleon PLUS equipment.

We will not just change the Item Nos, we are producing, as they will then not fit to the PO sent.

Due to this we need you to send us PO's with the new EBS Chameleon PLUS Nos.

Please see list below.

Should you need any further information do not hesitate to contact Nilfisk-ALTO Food Division sales department, direct tel. No.: +45 7218 2000.

Best regards

Nilfisk-ALTO Food Division

Niels Chr. Thygesen

Dir. tf.: +45 7218 2006 - Niels.christian.thygesen@nilfisk-alto.com
