

SERVICE INFORMATION

Claims in English

At request from Ecolab management, we kindly ask all our customers, who fill in claim forms on our website www.nilfiskfood.com, always to fill in the claim in English language, in order to enable future central follow up.

We would like to make it possible for everyone to be able to read the claims and any possible comments made to them.

We thank you in advance for the cooperation.

Should you need any further information do not hesitate to contact our company.
