

SERVICE INFORMATION

Trailer for Hybrid Typhoon

A trailer is now available for the Hybrid Typhoon.

The trailer carries a can of 20L, enabling transport of totally 2x20L cans for the cleaning task.

As the Hybrid Typhoon is equipped with the new Duo-block for 2 detergents, this has created a demand for a trailer, to be able to carry 20L detergent cans for both products, saving time and money in the operation.

The Trailer is made of stainless steel and a template for drilling/mounting on the Hybrid Typhoon will be included.
Item no: 110004991
