

# SERVICE INFORMATION

## New Userpack colours, Cancelling orders, Injector for Duoblock

### User pack colours:

In order to avoid mix up of various chemical types, we are pleased to introduce to you our userpack for Hybrid Tyhoon i two new colours. This means that the userpack is now available in blue, red and orange.

<u>Item no:</u>	<u>Description:</u>
110004853	User pack red, left
110004854	User pack red, right
110004855	User pack orange, left
110004856	User pack orange, righth

### Cancellation of orders starting with 119 and 0629:

**It is no longer possible to cancel orders containing item numbers starting with 119... and 0629....**

These item nos are special made items, purchased by our purchasing department only for this specific order. Please take this into consideration when ordering items starting with 119 and 0629.

### Injector for Duoblock:

We are pleased to introduce a new injector for our Duoblock making it possible to lower the concentration of chemical to only 0,5% when doing spray disinfection.

<u>Item number:</u>	<u>Description:</u>
110003861	Injector 2,8mm - 300L

Please note, that when using this injector you will not be able to foam properly - it should only be used to lower the concentration when spray disinfecting.
