

- **New design of coupling**
- **Spareparts for S3000/3100 and S4000/4100 to be discontinued**

## • New design of coupling

In 2017 we have re-designed our couplings, so that today, you only need an allen key No. 10 to tighten all couplings; nice and easy.

It's concerning the following couplings:

### Quick couplings, male part:

641300	inner thread 3/8"
641700	inner thread 1/2"
641800	inner thread 1/4"
110003043	outer thread 1/2"
0607752	outer thread 1/2"
0607772	outer thread, vulc. 1/2"
0607773	outer thread 1/2"
0607776	outer thread, vulc. 3/8"
0607777	outer thread 3/8"

### Quick couplings, female part:

0607770	inner thread, vulc. 1/2"
0607771	inner thread 1/2"
0607774	inner thread, vulc. 3/8"
0607775	inner thread 3/8"
110004029	inner thread 3/4"

- Spareparts for S3000/3100 and S4000/4100 to be discontinued

According to agreement, spare parts will normally be available for sale up to 10 years after we stop production of the cleaning equipment.

This to inform you that as from 1/1 2021, spare parts for the S3000, S3100, S4000 and S4100 will no longer be available.
