

Spare parts and Units to be phased out

Chameleon spare parts to be phased out by the end of September 2019

It has been 10 years since we discontinued the sale of Chameleon mainstations, boosters and satellites – and the Chameleon Plus - and later the Hybrid series.

For your information, the sale of spare parts for Chameleon units will – by the end of September 2019 – be phased out.

This goes for parts for the following equipment:

Mainstations, Advanced (MP and MA):
